

**THE MINUTES OF THE REGULAR MEETING
OF THE BOARD OF COMMISSIONERS
OF MIAMI COUNTY, KANSAS**

The Board of Miami County Commissioners met in regular session, in the Commission Chambers, Miami County Administration Building, Paola, Kansas, on May 4, 2022. Those present were:

Rob Roberts, Chairman	Shane Krull, County Administrator
Tyler Vaughan, Pro-Tem	Shelley Woodard, County Counselor
Danny Gallagher, Commissioner	Stacey Weaver, Deputy County Clerk
Phil Dixon, Commissioner	Wendy Newton, Operation Specialist
George Pretz, Commissioner	

News: Doug Carder, Miami Republic News

Visitors: Elizabeth Klinker, Jeff Wright, Robin Cooper, Dedre Beattie, Paul Beattie, Laurie Johnston, Scott Robbins, Joel Yocom, Dorothy Rusk, Eric Johnson, Brenden Kiekkel, Sherry Rudkin, Steven Rudkin, Tom McCann, Jacob Chadwick, Kelly Scrivner, Jaclyn Donelon, Craig Koblitz, Cris Pearey, Jerry Chadwick, Jennifer McDaniel, Danny Goodsell, Kelly Kaiser, Joanne Morgan, Steve Morgan, Mike Henesey, Timon Hasting, Annette Weeden, Jerry Fowler, Stan Heth, Lavonne Heth, Joshua Brown, Jan Yocom, Brad Scrivner, Chad

CALL TO ORDER

Chairman Roberts called the meeting to order at 1:00 p.m.

PUBLIC COMMENTS

Chairman Roberts addressed the crowd stating that public comment was for any item not on our agenda. He said he imaged a lot of the attendees were here for the Hillsdale rezoning item. He stated there was a publicized public hearing that took place during the Planning Commission Meeting and the recommendation is for it to become a C2 (Commercial) zoning. He stated if you would like to speak about Hillsdale in general that would be fine. Chairman Roberts said they had received emails and a petition that he believes the Commission will honor along with the recommendation of the Planning Commission. **(Petition is shown as addendum to the minutes)**

Joel Yocom, 24625 Old KC Rd, stated he was a graduate of Spring Hill High School and a resident of Hillsdale for the last 7 years. He says it is heaven on earth as it currently exists.

Paul Beattie, 22965 W 255th, stated that he grew up in Spring Hill and is a veteran. Moved to Hillsdale 5 years ago and the community and neighbors are wonderful. He appreciates the diligence everyone has put into this and is great the EMS build is going to happen.

Chairman Roberts addressed the crowd and asked if that was the sentiment of everyone there? That you really want to keep your community as is. The crowd answered in the affirmative. He stated they are working diligently for a new EMS station and a new fire contract with Johnson County for better fire coverage to help improve that community.

Lauri Johnston, 23270 W 289th St, stated she was the Pastor of Hillsdale Church. She said it sounds like you (the Commissioners) are moving in the direction that we (the crowd) want to see and said she wanted Hillsdale to blossom into a safe community where we can cross the street without worrying about trucks. She stated she would like to see Hillsdale grow in the right direction.

CONSENT AGENDA

Commissioner Vaughan moved to approve the Consent Agenda, as follows:

- Approval of minutes of the county commission meeting on April 20, 2022
- Approval of AP payment vouchers and payroll
- Farm lease agreement located in Section 10 Township 16 Range 23 | Franke Farms (A22-05-031)
- Add-On: Order of Correction of Irregularities

Commissioner Gallagher seconded; the vote was unanimous.

May 4, 2022
Page 2

PRESENTATIONS AND AWARDS AND PROCLAMATION

Proclamation - Proclaiming May as Miami County Medical Center Month and presenting to MCMC staff on May 11. Chairman Roberts stated that MCMC was celebrating their 25th year of operations and on May 11th at 9:00am they will present this proclamation in the parking lot of MCMC. Commissioner Pretz moved to approve as presented, Commissioner Vaughan seconded; the vote was unanimous.

NEW BUSINESS

Chairman Roberts stated he would entertain a motion to move Action Item # 9, the rezoning of 21006-Z from CS to C-2 up to Action Item #1. Commissioner Gallagher so moved; Commissioner Vaughan seconded; the vote was unanimous.

Teresa Reeves, Planning Director, requested the Commissioners to consider an application to rezone approximately 19.876 acres from Countryside (CS) to Commercial (C2). The subject property north approximately 19.876 acres, is located approximately 600 feet North of 255th Street on the East side of Old Kansas City Road and on the West side of Columbia Road. Ms. Reeves stated the Planning Commission met on April 5th and voted to recommend to zone the property Commercial C2 and not Industrial I-2. Commissioner Vaughan stated that this is forethought of several years that blend in fire district contracts, EMS coverage, how we go it alone and how we protect you as citizens and the Hillsdale area. He stated one of the biggest criticisms I've heard since I've been here is that the county does no economic development. This was an opportunity where we could take a piece of land, really allocate and figure out the best way to do it. I feel this is the way government should work. The Commissioners suggested it go back to the Planning Commission to discuss what it would look like; there was a lot of feedback, which is great, and the Planning Commission made a decision which is here in front of us today. He stated this is exactly how government should work: your feedback coming in and us making a decision based on the recommendation from our appointed Planning Commission. I couldn't think of government working better than this. Commissioner Vaughan moved to approve the recommendation to approve this property as C-2, Commissioner Pretz seconded; the vote was unanimous.

JR McMahon, Road & Bridge Director, requested the Commissioners to consider to designate Killough Construction as a sole source for the repair and overlay of the parking lot at the MICO Health Department for a total price of \$49,162.00. Commissioner Gallagher moved to approve as presented, Commissioner Dixon seconded; the vote was unanimous.

Matthew Oehlert, Road & Bridge Project Manager, requested the Commissioners to approve a Revised project budget for 2022 Road Rehabilitation Project. A revised budget is requested to cover design, construction, and construction engineering inspection costs. Original Budget: \$1,876,173.00 Requested Budget Increase: \$248,465.00 Total Revised Project Budget: \$2,124,638.00. Commissioner Pretz asked if this would affect any of the In-house overlay projects from getting done. Mr. Oehlert stated as of right now it does not affect these. Mr. Gallagher stated he didn't think the asphalt numbers would come in until it was the month for the project. Mr. Oehlert stated the cost of asphalt has risen sharply since he priced it out in January. He stated that this will put money into the project and that will directly affect the following two Action Items. Commissioner Dixon moved to approve as presented, Commissioner Gallagher seconded; the vote was unanimous.

Matthew Oehlert, Road & Bridge Project Manager, requested the Commissioners to authorize the Commission Chair to execute the contract with Superior Bowen Asphalt Company, LLC for construction of Miami County Project No. 22-01-CO (690) in the amount of \$2,077,412.53. Commissioner Pretz moved to approve as presented, Commissioner Dixon seconded; the vote was unanimous.

Matthew Oehlert, Road & Bridge Project Manager, requested the Commissioners to authorize the Commission Chair to award and execute the agreement with Baldrige Engineering, LLC for the 2022 Road

Rehabilitation Project, Miami County Project No. 22-01-CO (690), in the amount of \$33,225.00. Commissioner Pretz moved to approve as presented, Commissioner Gallagher seconded; the vote was unanimous.

Matthew Oehlert, Road & Bridge Project Manager, requested the Commissioners to consider executing the Agreement for Federal-Aid Construction Engineering by Consultant (Consultant-Nonfederal-Aid Agreement) for Metcalf 2.0 Project 18-15-CO-ST (665)/KDOT Project 061 N-0709-01 with Baldrige Engineering. Miami County's portion of Construction Engineering is \$116,169.46 and the City of Louisburg's portion is \$116,169.45 for a total of \$232,338.91. Commissioner Dixon moved to approve as presented, Commissioner Pretz seconded; the vote was unanimous.

Cathy Cooper, Community Corrections Director, requested the Commissioners to consider approval for the Sixth Judicial District Community Corrections KDOC-Juvenile Services SFY 2023 Comprehensive Plan Grant and Budget Application in the amount of \$464,356.96. Request authorization for the Commission Chairman to provide signatory approval of the documents. Commissioner Pretz moved to approve as presented, Commissioner Vaughan seconded; the vote was unanimous.

Cathy Cooper, Community Corrections Director, requested the Commissioners to consider approval for the Sixth Judicial District Community Corrections KDOC-Adult Services SFY 2023 Comprehensive Plan Grant and Budget Application in the amount of \$437,365.92. Request authorization for the Commission Chairman to provide signatory approval of the documents. Commissioner Vaughan moved to approve as presented, Commissioner Gallagher seconded; the vote was unanimous.

Matt Kelly, Undersheriff, requested the Commissioners to approve moving one Detective position into a Sergeant position in Investigations. He stated it would increase the salary by \$7,590 and benefits adjustment would be \$2,457. Commissioner Dixon moved to approve as presented, Commissioner Pretz seconded; the vote was unanimous.

Teresa Reeves, Planning Director, requested the Commissioners to consider an application to rezone approximately 7.31 acres from Countryside (CS) to Commercial (C2), in accordance with Section 22 of the Miami County, Kansas Zoning Regulations. The subject property is located directly south of the intersection of Old KC Rd and W 327th St and is northeast of Clover Dr. and west of US-169 Hwy, in Section 29, Twp. 17, Range 23, Valley Twp. Submitted by Miami County, Kansas, the property owner of record and to sign the Resolution make it so. Commissioner Pretz moved to approve as presented, Commissioner Gallagher seconded; the vote was unanimous.

APPLICATIONS

Stacey Weaver, Deputy Clerk, stated there was a Cereal Malt Beverage License for Express Stop KS LLC in Hillsdale. Commissioner Vaughan moved to approve as presented, Commissioner Gallagher seconded; the vote was unanimous.

STAFF COMMENTS

JR McMahon, Road & Bridge Director, stated the most dangerous thing that happens to a county and a county Road & Bridge Department is a spike in commodity prices. So much of what you do is depended on that. He said last time this happened in the 70's they actually reduced John Brown Highway down to gravel. He says the time frame we are in is more difficult especially with the RNR (Revenue Neutral Rate). He said the RNR is good thing if the prices stay the same. Commissioner Vaughan stated that they need to figure out how to solve the immediate funding and thanked Mr. McMahon for all that he is doing to mitigate some of the costs and there needs to be a long and short game plan during this time. Mr. McMahon also stated it is a bare market out there for employees.

Mark Whelan, Emergency Management Coordinator, stated that he had some bad news on the Louisburg Fire Engine. He stated the winning bid came in at \$394,165 but made a mistake on their bid book and named

May 4, 2022
Page 4

the pricing of an engine that is no longer available. He stated the next closest bid came in at \$440,943 with no equipment included. However, with new additions that are needed the price comes in at \$471,696 which does not include any loose equipment at all. He is requesting guidance. Chairman Roberts motioned to reject all bids and have Mr. Whelan come back with other options. Commissioner Pretz seconded; the vote was unanimous. Commissioner Gallagher asked him to also consider rehabilitations.

COMMISSIONERS COMMENTS

Commissioner Gallagher motioned to appoint Kathy Peckman to replace Lee Wiesma for Paola and Pat Hutsell to replace Glenda Flanagan for Louisburg as new members of the Miami Council on Aging. Commissioner Pretz seconded; the vote was unanimous.

EXECUTIVE SESSION

Commissioner Vaughan moved to have a Personnel Exception Executive Session to discuss a non-elected personnel matter for 15 minutes beginning at 2:10 to include the Commissioners, County Administrator, and County Counselor. Commissioner Vaughan seconded; the vote was unanimous. No action was taken at this time. Chairman Roberts reconvened the regular meeting at 2:25.

ADJOURNMENT

The meeting was adjourned at 2:25 p.m.

(Seal)

Rob Roberts, Chairman

ATTEST:

Janet White, County Clerk

PETITION - Say NO To Heavy Industrial Zoning in Hillsdale

18th Apr 2022

227 Total Signatures

Miami County KS Government is acting as the Applicant AND Decision-maker regarding the following Public Hearing #21006-Z: Rezoning from Countryside (CS) to Heavy Industrial (I-2) Consideration of an application to rezone approximately 19.876 acres from Countryside (CS) to Heavy Industrial (I-2), in accordance with Section 22 of the Miami County, Kansas Zoning Regulations. The subject property of approximately 19.876 acres, is located approximately 600 feet North of 255th Street on the East side of Old Kansas City Road and on the West side of Columbia Road.

The Citizens of Hillsdale KS and Rural Miami County along with the Miami County Planning Director and ALL MEMBERS of the Miami County Planning Commission advise and hereby recommend that the Board of County Commissioners follow their recommendations as follows: Institute a modified Rezoning from Countryside (CS) to Commercial District (C-2), based on the Findings listed herein. Findings for Modified Approval to C-2

1. The proposed Rezoning to Heavy Industrial (I-2) does not conform to the Goals and Objectives of the Comprehensive Plan based on the intensity of the proposed zoning and the surrounding character of the Hillsdale Area. Therefore, the Planning Commission recommends the Rezoning application be modified to the less intense zoning district of Commercial (C-2).
2. The uses permitted in the modified zoning district of Low Intensity Commercial (C-1) or Commercial (C-2) are more compatible with the commercial and residential uses occurring on adjacent properties, and with the mixed uses in the Hillsdale vicinity.
3. The modified zoning district of Low Intensity Commercial (C-1) or Commercial (C-2) reduces potential conflicts with the established residential and commercial zoning and the potential for detrimental effects to surrounding properties.

****View Official Recommendation for C-2 zoning at this link - Pages 18-36:**

<https://civiclek.blob.core.windows.net/stream/MIAMICOKS/ba0f430f-fc5a-4630-98c2-9ae17d559e2d.pdf?sv=2015-12-11&sr=b&sig=6SIsVDn%2BfyrzkeSWJD9xFigE0PHG0yTaMp67tXN4qvI%3D&st=2022-04-18T16%3A58%3A43Z&se=2023-04-18T17%3A03%3A43Z&sp=r&srcc=no-cache&srset=application%2Fpdf>

WE, the undersigned, call on the Miami County Board of County Commissioners to VOTE NO HEAVY INDUSTRIAL regarding Hearing #21006-Z: Rezoning from Countryside (CS) to Heavy Industrial (I-2). The Citizens of Hillsdale, Northern Miami County along with the MICO Planning Director, the Staff and all members of the MICO Planning Commission strongly recommend and advise the BOCC to vote in accordance of our wishes to increase zoning to maximum of (C-2) and abandon the Applicant's request for heavy industrial.

	This is a bad idea that is fraught with suspected activity and the high possibility of corruption. The impact will be devastating on a community under your leadership. Don't do this.

	There is absolutely no reason this should be 12, clearly you do not have the residents of Hillsdale in mind when even suggesting this. If you want heavy industrial, put it in Paola by your houses instead of in to mine							
38	Deb	Jongstelen	dljcongsten@gmail.com	23025 Morning-Deer Lane	Hillsdale	Kansas	66071	Apr 21, 2022
39	William	McCain	tinac917@att.net	509 N. Walnut St.	Paola	Kansas	66071	Apr 21, 2022
	BOCC needs to vote as the Planning Commission recommends and per the wishes of the citizens of Hillsdale and Miami County. This petition should also serve as a reminder to the Commissioners that they hold a REELECTED position to represent the citizens of Miami County.							
40	Amettie	Weeden	ametteweeden@yahoo.com	23095 W. 255th St	Paola	KS	66071	Apr 21, 2022
	Please vote No to rezoning this tract of land to Heavy Industrial. The families in this neighborhood enjoy the quiet lifestyle of a small countryside setting. Any heavy industrial business would greatly interrupt the daily lives of residents (value of homes and quality of life would decrease), the tourism to the lake and park area, and put a burden on local traffic and utilities. The county's intentions to provide emergency services from this location can be done with the existing zoning, no change is necessary to proceed. The request to change to the extreme of Heavy Industrial is suspicious and could/should fall upon whomever is seeking to install I.L. businesses; this should not be initiated by the county in the interest of or on behalf of a private business. Please vote No to Heavy Industrial.							
41	Jinda	Johnson	jinda917@yahoo.com	24821 Harmony Rd	Paola	KS	66071-5641	Apr 21, 2022
	NO TO HEAVY INDUSTRIAL IN HILLSDALE. The commissioners are to work for the people. Did our input in the Comprehensive Planning survey in 2021 mean nothing? The People specifically made it clear that residents in the northwestern area of the county are adamantly opposed to commercial/industrial development. We want to preserve our rural lifestyle and protect the watershed.
